

S Spark Loyalty® Referral Program

Refer a Friend, Earn a Free Month!

We know you love Spark Loyalty, and we want to thank you for sharing your enthusiasm with other retailers in your network.

We're on a mission to bring Spark Loyalty to independent businesses all over the country. After all, small businesses deserve a customer loyalty solution that is simple, effective and affordable. That's why we have the Spark Loyalty Referral Program!

When you refer a retail merchant who signs up for Spark Loyalty, you'll BOTH receive one month free for your stores.

If that business has multiple locations, you'll each earn an additional free month for each new store location that signs up from your referral. There is no limit to the number of free months you can earn!

How do I get credit for a referral?

1. Visit [Snowshoe.io/Refer](https://snowshoe.io/Refer)
2. Choose the *Make a Referral Here* button
3. Enter your name and email
4. Enter your friend's name and email
